

Early Dismissal Parent Permission Form

Students in Grades 6 through 12 are permitted to leave campus prior to 3:00PM with parent consent, if they are finished with their classes for the day. They are not to return to campus to ride the 3:00PM bus home, once they have left the campus midday.

If students have a reason to miss a class (ex. doctor's appointment), a designated parent or guardian needs to notify the Camp SFS Office ahead of time in order for the student to be dismissed via email to campsfs@seoulforeign.org.

In order for this form to have affect, students must:

- Have this form filled out and signed by a designated parent or guardian.
- Hand the above form to the Camp SFS Office.
- The Camp SFS Office confirms permission with the parent.
- Check out with their Student ID Card while a counselor is present.
